Alaskan Technicians now have a choice! Alaska Mobile Tool & Equipment is bringing choice and competition to the Alaskan tool business to serve you better.

Alaska Mobile Tool & Equipment is a privately owned, independent tool dealer. We are also an **authorized distributor for Cornwell Tools**. We are proud to bring Cornwell Tools back to Alaska. Cornwell produces some of the finest American-made hand tools available, and their warranty is second to none. We look forward to introducing the Cornwell product line to you and letting you decide if Cornwell offers you a better value than other brands.

As an independent tool dealer, we have access to most any tool that is not proprietary to one of the other franchise companies such as Mac, Matco, or Snap-On. A significant amount of the products marketed by these companies are manufactured by outside companies and rebranded. If you are considering a purchase, give us a call to see if we can offer the identical or competitive product at a savings to you. If we cannot, we will tell you.

Truck accounts are available to qualified technicians. We ask that you place a credit card on file and authorize us to charge your minimum weekly or biweekly payment, as agreed upon at the time of purchase. Credit limits will be determined on a case by case basis.

We offer significant savings every month with vendor sponsored promotions. Cornwell Tools has a 20 page promotional flyer that comes out each month. Some products are reduced over 35% when on promotion. **Look to us for tremendous savings and value each and every month!**

Our route schedule is a little different than the other guys. We will call on customers in the Mat-Su Valley on Mondays and Wednesdays. Anchorage and Eagle River customers will see us on Tuesdays and Thursdays. We operate primarily on a bi-weekly schedule which means you will see us every other week. If you have a need and would not like to wait until our next visit, please don't hesitate to call and we will do our very best to get you what you need either the same day or next day.
